## Home Harvest Community Gardens Open Day Saturday 19 March 2022

Home Harvest celebrates the local food community in Nillumbik

Where	When	Description and link
Diamond Valley Library Civic Drive, Greensborough	Food swap 10-11am Seed saving workshop 1pm	Visit our garden to connect, grow, eat and enjoy with local community gardeners from across Nillumbik as part of the Home Harvest Community Gardens Open Day. Take part in the Food Swap from 10.00am-11.00am or a seed saving workshop at 1pm. Bookings required.  Home Harvest Community Garden Tour Yarra Plenty Regional Library   spydus.com
<b>Thrive</b> 31 Watkins Street, Diamond Creek	Garden tours, sausage sizzle, seed planting for kids 11am - 1pm  Open working bee and food swap 1-3pm	Gardeners will be on site to give you a tour of the garden and help you think about some veg you might like to plant for winter. Bring along your excess produce to participate in a food swap that will be running on site. There will be a seed planting activity for children and a sausage sizzle.
Panton Hill Community Garden 18 Bishops Road, Panton Hill	9-11am	Drop in for a cuppa and chat to our volunteers at Panton Hill's Community Garden. Come down from 9-11am and learn how you can be involved in starting up one of our newest community gardens. Help us plant out our new beds and meet some likeminded locals.
<b>Edible Hub</b> 50 Graysharps Road, Hurstbridge	10-12pm	Visit the Edible Hub community garden and chat to a scientist or expert. Find out about Queensland Fruit Fly and what to do if it's found in backyard fruit. Learn how to monitor for pests of concern and prevent spreading 'bad' bugs around the garden, as well as how to spot the 'good' bugs (like spiders!). There'll be a drop-in session from 10am to 12pm with an expert talk on Qld fruit fly at 11am.  Pest and disease drop-in session: SHIFT shiftinc.org.au
Eltham Living & Learning Nillumbik 739 Main Road, Eltham	10-11.30am	Pop by Eltham Living and Learning between 10-11.30am for a self-guided tour in the community garden. Pick some produce and learn about how you can become a member or get involved. Pick up some free seeds or bring your own to donate.
